Ambassadors lend a hand in many ways

Ambassadors are volunteers that are enthusiastic, have an outgoing personality, possess good organizational skills, dependable, and are honest business people. Individuals who make successful Ambassadors believe in and support the efforts of the Chamber. They are able to balance the necessary time commitment of the committee with the demands of their jobs. They are outgoing and enjoy meeting new people and providing positive support and encouragement to colleagues. They are sociable, strong contributors to any group and enjoy spending time with other professionals. Membership is by application only. The Team's goal is to represent a wide variety of industries and businesses.

The objective of the Ambassador Team is to have fun and be the public relations arm of the Chamber. The team accomplishes this objective by providing assistance to new members and guests, and attending existing members' functions. Among some of the activities are: ribbon cuttings, Business After Hours and Chamber mixers, Chamber events, and new member receptions and communication, as well as assisting the Chamber in the promotions of special events.

Throughout the year, membership applications are received from interested individuals and when an opening is available the Club reviews the applicants' application and may consider them for membership. While participation does require a significant amount of time, the benefits to the business are outstanding. Membership in the Club often provides a "warm welcome" to other businesses and creates a strong relationship between businesses.

Individuals interested in participating in the Ambassador Club should email their query to info@gadsdenchamber.com.

MISSION STATEMENT

To promote general membership services and enhance goodwill for The Chamber of Gadsden & Etowah County in the community; assist in the recruitment of new members through personal contacts, membership involvement, and to encourage involvement, awareness, and maximum retention.

Chamber can help with ribbon cuttings

The Chamber would be delighted to help your business celebrate with a Ribbon Cutting Ceremony if the company has:

- Opened its doors in the last 6 months
- Changed ownership or is under new management
- Moved to a new location
- Has been remodeled or expanded at its present location

A Ribbon Cutting Ceremony is an important part of your overall marketing and advertising plan and is a great way to kick-off a grand opening of a business. It offers an opportunity to meet key leaders in the community and get acquainted with your neighbors and Chamber members. The Chamber would enjoy assisting you in planning a successful event for your company. Having participated in hundreds

of ribbon cutting ceremonies, we know how to get optimum exposure for your company. Chamber Staff and Ambassadors attend and conduct the ceremony, complete with a large pair of scissors, photos, and ribbon in your choice of color. We generally begin with a welcome statement before the ribbon cutting and photos are taken to appear in an upcoming edition of *The Messenger Newspaper*.

Scheduling a Ribbon Cutting with the Chamber should take place a minimum of two weeks ahead of the event to allow the Chamber time to invite members of the Chamber's Board of Directors, the Ambassadors and dignitaries from the appropriate city to join your celebration.

Hors d'oeuvres and beverages are usually served, but it is your decision. Your plan can be as simple or elaborate as you like, whatever fits your budget. Chamber Staff Members & Ambassadors will help to make things go as smoothly as possible:

We'll notify the Chamber's Board of Directors and Ambassadors, City Dignitaries and chamber members, per your directions, and encourage them to attend your event. We'll put you in touch with other Chamber businesses that can provide catering, deli and beverage services. We'll bring the giant scissors and a bow and take pictures at the appointed time. We'll include a photo and acknowledgment of your ribbon cutting in *The Messenger Newspaper* and on our Facebook page at www.facebook.com/etowahchamber.

There is no charge for the Chamber's involvement — it's a value-added benefit of being a member. People generally anticipate spending about a half hour at the ceremony, so be prepared with collateral materials.

Checklist for a Successful Ribbon Cutting:

Call your sales associate at the Chamber at 256-543-3472 & schedule the ceremony (or schedule upon joining).

Who should I Invite?

- Neighbor businesses • Existing customers • Vendors/suppliers to your trade
- Prospects • Personal friends and family

What should I serve? (Options to choose from:)

- Prepare your own • Hire a caterer (must be a Chamber member)
- Champagne, wine, soft drinks, bottled water, etc. • Hors d'oeuvres

How can I promote my business to people attending?

- Drawings or door prizes • Certificates or coupons
- Collateral materials: cards, brochures, literature (optional)

LEADERSHIP ETOWAH

Program prepares participants to become community leaders, set priorities, solve problems

Leadership Etowah is a program of The Chamber of Gadsden/Etowah which each year brings together class participants for ten one-day retreats. The program objective is to present to the participants a series of issues-oriented forums based on the belief that knowledge is a key element and prime motivator of leadership. Class members visit organizations and institutions across Etowah County. This allows them to seek a mutual understanding of the priorities and problems facing the county; they also seek to invent vital solutions to the challenges that define the future of our county. Program participants will gain a broader understanding of the complexities that our diverse community represents. Participants will leave the program prepared to use the information and skills they will gain from this experience to be a leader in the community.

Leadership Etowah is a personal development program designed to motivate participants to develop and enhance leadership skills through an educational process that addresses pertinent community needs.

The purpose of Leadership Etowah is to:

- Identify potential and existing leaders in business, labor, education, government and the community at large and help them prepare for voluntary responsibility in our area.
- Provide leaders with practical and sophisticated understanding of major opportunities and problems facing the Etowah County area.
- Facilitate access between emerging leaders and the current leadership in the community.
- Improve the communications network among leaders from unique and different backgrounds.
- Stimulate increased participation and commitment in the community.

The goal of each session is to open the mind of each participant to the perspectives that surround the issue and, through thoughtful consideration of those perspectives, to enable participants to become visionary leaders in the community. (Class order is subject to change.)

Session I — Orientation to Leadership

Session II — Non-Profits and Social Services

Session III — Education

Session IV — Workforce Development

Session V — Government

Session VI — Healthcare

Session VII — Economic Development

Riverview Regional Medical Center acquired by new owner

Riverview Regional Medical Center announced in November 2014 an agreement for the sale of substantially all of the assets of the 281-bed hospital and its related outpatient services to a subsidiary of Prime Healthcare Services, LLC.

The purchase agreement includes a commitment from Prime to continue the employment of all employees who satisfy Prime's employment requirements. There will be no change or modification to the current privileges for physicians on the medical staff.

During the first three years following the transaction close, Prime will fund at least \$15 million in capital expenditures at the hospital to fund equipment, development of new services, physician recruitment and other capital improvements.

"Riverview Regional has a long-standing tradition of serving our patients and our community with high-quality healthcare services," said Jim Edmondson, chief executive officer of Riverview Regional Medical

Center. "We are committed to our community and pleased that Prime Healthcare recognizes our achievements as well as our opportunities for continued success in the future."

The agreement includes a commitment to operate as a general acute care hospital with an open and accessible emergency room for a period of at least five years following the transaction close.

Riverview will be divested by a subsidiary of Community Health Systems to fulfill requirements set by the Federal Trade Commission during the acquisition of Health Management Associates.

The transaction is subject to customary regulatory approvals, including approval by the Federal Trade Commission. Until the transaction is complete, current ownership will remain in place. Financial terms of the transaction have not been disclosed.

Riverview Regional Medical Center is a 281-bed acute-care hospital serving more than 350,000 residents in Etowah and the contiguous counties. A full range of services and programs are offered, including a Heart and Vascular Center, Sleep Lab, Heartburn Treatment Center, Wound Care and Hyperbaric Center, and Imaging Center. Riverview Regional Medical Center is accredited by the Joint Commission on the Accreditation of Healthcare Organizations (JCAHO). Originally named Holy Name of Jesus Hospital, Riverview Regional Medical Center was founded in 1926 by the Sisters of the Missionary Servants of the Most Blessed Trinity. This hospital is partially owned by physicians.

Gadsden Regional Medical Center receives accreditations

Hospitals are consistently reminded of their quality standards through on-site surveys from a variety of accrediting agencies that can occur at any time, unannounced. These unplanned surveys can produce many challenges, ones hospitals like Gadsden Regional Medical Center met head on and with much success during 2014.

Gadsden Regional Medical Center, in the past year or more, was part of surveys by agencies that delved into their standards of care in many areas, including stroke, chest pain, orthopedics and cancer treatment and care.

By the end of the year, GRMC had received notable accolades from the following:

- **The Joint Commission** – Orthopedic Hip and Knee Surgery reaccreditation, Advanced Primary Stroke Center reaccreditation
- **The Society of Cardiovascular Patient Care** – Chest Pain with PCI (Percutaneous Cardiac Intervention) reaccreditation
- **The Commission on Cancer from The American College of Surgeons** – Cancer Center accreditation
- **The American Academy of Sleep Medicine** – Sleep Center accreditation

The Joint Commission, which accredits more than 20,000 health care organizations and programs in the U.S., recertified two of the hospital's key patient care programs.

The stroke program at GRMC has been reaccredited as an advanced primary stroke center, as well as receiving the Gold-Plus "Get With the Guidelines" stroke award from the American Heart/Stroke Association.

Gold Seal Certification by Joint Commission for hip and knee replacement surgery demonstrates GRMC is committed to excellence in the joint care program. In 2015, the hospital will continue its pursuit of even higher standards in orthopedic care by working with nationally recognized orthopedic consultants, with the goal of continuing to improve the patient experience and maintain high quality care.

By receiving chest pain with percutaneous coronary intervention (PCI) re-accreditation from the Society of Cardiovascular Patient Care, Gadsden Regional has demonstrated expertise in the area of acute heart attack treatment. The SCPC deems this accreditation the highest level attainable by hospitals in the U.S.

The Commission on Cancer, a branch of the American College of Surgeons, has recognized Gadsden Regional's Cancer Center for the outstanding care provided to patients who utilize our facility for cancer treatment. They recognize cancer programs, such as Gadsden Regional's, for committing to providing "comprehensive, high-quality and multidisciplinary patient-centered care."

In addition, the hospital's Sleep Center has been recognized by the American Academy of Sleep Medicine. Accreditation by the AASM is the "gold standard" by which sleep medicine services are evaluated and shows that GRMC's center is providing top of the line care in this growing area.

Most of these accreditations are not required of hospitals, but Gadsden Regional and its medical staff worked to achieve them to demonstrate to the community that GRMC both meets and exceeds national benchmarks.

Also in 2014, Gadsden Regional has joined forces with three other Community Health Systems facilities in Northeast Alabama to create a network of hospitals focused on providing top-notch health services to our area. Along with Stringfellow Memorial Hospital, Cherokee Medical Center and DeKalb Regional, Gadsden Regional is working hard to ensure the people of Northeast Alabama have the best the industry has to offer when making healthcare decisions for themselves and their families.

ABOUT GADSDEN REGIONAL MEDICAL CENTER:

Founded in 1906, GRMC holds a high standard for patient care in Northeast Alabama. The hospital, owned by Community Health Systems, is part of a network of more than 200 facilities in the U.S. GRMC employs more than 1,350, making it the second-largest employer in Etowah County, and boasts a medical staff of more than 230 physicians.

Two local businesses earn state honors

Goodyear Tire & Rubber Co. and Back Forty Beer Co. make Alabama history

Gadsden made history in May 2014 when it became the first city to have two businesses secure Alabama Manufacturer of the Year honors in the same year. The Goodyear Tire & Rubber Co. won the honor in the Large Manufacturer division (400-plus employees) while the Back Forty Beer Co. won in the Small Manufacturer division (1-99 employees).

“It is quite extraordinary to have not one, but two state award winners,” Heather New, president of The Chamber, Gadsden/Etowah County said. “It speaks volumes to the workforce in our community and the innovation of our manufacturing sector.”

Now in its 15th year, the Alabama Manufacturer of the Year awards is sponsored by the Business Council of Alabama, Alabama Technology Network, the Chamber of Commerce Association of Alabama and the National Association of Manufacturers.

“The BCA is honored to salute Alabama’s best manufacturers for their valuable participation in not only the state’s economy but also the economies of their employees and the suppliers who do business with them,” said William J. Canary, president and CEO of the BCA.

Goodyear has been named finalist for the award three years in a row. Back Forty was named a finalist for the first time this year. Other finalists included BP America Inc. of Decatur; Gulf Packaging of Bay Minette; Prystup Packaging Products Inc. of Livingston; Segers Aero Corp. of Fairhope; and SPOC Automation of Trussville.

Goodyear-Gadsden is the South’s oldest tire manufacturing facility and celebrates 85 years in operation in 2014. It continues to be a viable employer in Etowah County with employment surpassing 1,500 this year. Since 2007, Goodyear-Gadsden has hired over 1,200 new employees.

Goodyear-Gadsden has hired 81 military veterans in the past five years, which has led the company to being named a Top Military Friendly Employer by G.I. Jobs magazine for three years in a row. The tire manufacturing facility consistently is the leading contributor to the United Way of Etowah County and supports such charitable causes as the Boys and Girls Club of Gadsden/Etowah, the American Heart Association, the Gadsden Public Library, Habitat for Humanity, the American Red Cross and more.

The largest employer in Etowah County, Goodyear-Gadsden produces original equipment tires for Chrysler, GM and Ford and replacement tires under the Goodyear, Kelly and Dunlop brand names. It has proven to be an important part of Goodyear’s global footprint as a premier manufacturer that assists in enhancing company profits and increasing market share with its 100 percent on-time delivery to customers.

“What an honor to be the recipient of this award,” said Director of Manufacturing Gordon Linkous. “We were surprised and humbled by the recognition. It is one of the most prestigious awards ever bestowed on our plant in its 85-year history.”

Linkous thanks the Plant Leadership Team, USW Local 12 and community supporters for their support.

“But, most of all, thank you to the over 1,500 men and women who work each day to produce a quality product for our customers,” he said. “It’s the people that make Goodyear what it is today, and I accepted our award on behalf of them.”

While Goodyear has the distinction of being the largest tire supplier among the state’s three facilities, Back Forty Beer Co. is the largest manufacturer of alcohol in Alabama. And, it plans to expand and create

new opportunities for the community, including a \$500,000 expansion that has doubled its brewing capacity and enabled canning operations.

“We are growing at a rapid rate thanks, in large part, to the support we have received from the people and businesses in Etowah County,” said Jason Wilson, chief executive officer. “With the expansion, we increased to about 20,000 barrels of beer a month.”

Back Forty Beer Co. was honored with the Main Street Alabama Awards of Excellence in Business Development and was recently named one of the top new

Southern beers by Garden & Gun. The company participates in many community events including Sunset Sips, First Friday, The Chamber events, charity golf tournaments and more. “We think it’s important to give back to the community that has enabled us to grow at such a rapid rate,” he said. “Etowah County is where we live, work and play, so it’s important to us that it prosper and thrive.”

Back Forty produces seven award-winning artisan craft beers that are available in major retail and grocery stores as well as eateries throughout the Southeast. The company is also working on an export development program focusing on Canada, Japan, Brazil and Sweden.

The Manufacturer of the Year awards program began in 2000 and recognizes Alabama manufacturing enterprises that exhibit excellence in leadership, performance, profitability and workforce relations. Winning manufacturers are selected by an independent panel of judges who look for demonstrations of superior performance in customer focus, employee commitment, operating excellence, continuous improvement, profitable growth and investment in training and retraining.

IDA efforts result in economic improvements

The Gadsden-Etowah County Industrial Development Authority worked with 9 companies in 2014 to establish new plants here, to expand existing ones, and to complete previously announced projects. Economic indicators showed improvement, with increases in the labor force, growth in employment, and a reduction in unemployment, according to Alabama Department of Labor statistics.

- 1 After a long investigation of locational options, a firm in the Midwest has chosen a site on Airport Road for a new plant, pending capital investment approval from its parent company in Japan.
- 2 Pacific Trading opened its new plant in the Gadsden Industrial Complex.
- 3 Prince Metal Stamping USA is installing equipment to prepare for the opening of its new 240,000-square-foot plant at the Airport Industrial Park.
- 4 Decatur Plastic Products is also completing the installation of equipment in its new facility at the Gadsden Commerce Center.
- 5 Koller-Craft South purchased the former Mid-South Electronics plant in the Gadsden Industrial Complex and is adding new equipment.
- 6 Inteva Products expanded twice in 2014 and held job fairs to recruit new employees.
- 7 Koch Foods chose its Gadsden plant over others for an expansion of its operations and employment.
- 8 SIP, Inc. also decided to add additional equipment and more employees here instead of elsewhere.
- 9 Goodyear Tire and Rubber Company added more equipment to

continue modernizing its Gadsden plant, and announced an increase in production.

Together, these projects have created — or are projected by company officials to create — more than 500 jobs. Their combined new payroll exceeds \$16 million, and their capital investment is approximately \$60 million.

The most important locational requirement for these companies and for prospective new industries (besides proximity to customers and suppliers, and the presence of a suitable building or site) is the availability of skilled workers. In 2014, the Gadsden City and the Etowah County Career Technical Centers applied for and received funding to begin new programs in additive manufacturing and industrial equipment maintenance. Gadsden State Community College began its Fall semester with more than 600 students enrolled in industrial-related technical training classes, and the Gadsden Center of the Alabama Technology Network offered free training for employees of local companies.

To support these and other technical training initiatives, Gadsden's Workforce Development Partnership continues its work, IDA Assistant Director Bill Greene chairs meetings of the state's Workforce Development Council for this region, and IDA Executive Director Mike McCain serves on the board of the Alabama Economic Development Alliance.

Economic progress requires a cohesive team effort of both the public and the private sectors. Local government maintains a pro-business climate, supports public education and improves our infrastructure, among other actions. The business and civic volunteers who oversee the IDA, the Commercial Development Authority, Downtown Gadsden Inc., the Tourism Board and the Chamber all work together, and with our elected officials they help generate more jobs for our residents, more spending in our economy, and more tax revenues to fund public services.

Benefits of commercial growth to be felt in 2015

Commercial growth in 2014 will benefit in additional revenues and jobs in 2015.

Since announcing their first secured tenants in 2013, The River Trace Shopping Center development has made significant progress.

Gander Mountain, a 52,000-square-foot outdoor specialty store, opened in May 2014. Soon after, Shoe Carnival, the second tenant that had been announced in 2013 opened its doors.

Since then, Ulta Beauty opened in a space just under 10,000 square feet. Also, a 55,000 square foot Hobby Lobby relocated to the development from George Wallace Drive.

Ross Dress For Less, which is reported to be a 22,400-square-foot store, is anticipated to open by 2015.

Panda Express has located in an outparcel of the development and will offer a drive-thru. Moe's Southwestern Grill was also under construction at the end of 2014. Additional retailers are expected to fill in several more available spaces throughout 2015.

Blackwater Resources has projected annual sales of \$30 million for the development. The Gadsden City Council approved an incentive plan in November 2011 to Blackwater Resources that proved successful in landing the development.

In Rainbow City, a long-awaited Publix broke ground in November 2014. Publix will be 45,600-square-foot anchor store in the Shoppes at Rainbow Landing development. The store is set to open in October 2014 and is estimated to employ approximately 140 associates.

The development will offer an additional 20,000 square feet of retail space. It will also include the opportunity for two separate outparcels, estimated around an acre each.

Young adults enjoy science and technology programs, “crafternoons”, college readiness classes and fandom events. For more mature audiences, the library offers genealogy and computer classes, sewing circles, author appearances and traveling art and science exhibits from around the country.

The GPL prides itself on working outside the box to meet the needs of an ever changing community through partnerships with organizations across Etowah County and Alabama. The Chamber and the GPL are currently in their third year of partnership with Universal Class, an online school providing over 500 continuing education classes free to the public. Through Universal Class, participants can learn cake decorating, accounting, computer skills or American History. Community members can also enjoy lunch from the Novel Café located inside the library. The Café offers sandwiches, salads and the best chicken salad in Etowah County. While at the Novel Café, patrons can browse the Friends of the Library Bookstore which provides gently used books at discounted prices. Proceeds from the Café and the bookstore benefit the library’s many events.

The GPL offers three locations to better serve Gadsden. The main library is located at 254 College Street behind the United States Post Office in downtown Gadsden. The East Gadsden branch is located at 809 Broad Street near the Health Department. Community members interested in history can visit the Hoyt Warsham Alabama City branch at 2700 West Meighan Blvd. The Alabama City branch is housed in the original Alabama City Post Office building which was constructed over 100 years ago and is registered with the National Register of Historic Places was originally the site of the Alabama City Post Office built over 100 years ago and registered with the National Register of Historic Places.

LES MISÉRABLES

March 12-22, 2015

LES MISÉRABLES is the winner of over 100 international awards and has become a global success on stage and screen, sweeping audiences through an epic tale of broken dreams, passion and redemption, against the backdrop of a nation seething with revolution.

In 19th century France, Jean Valjean is released from 19 years of unjust imprisonment, but finds nothing in store for him but mistrust and mistreatment. He breaks his parole in hopes of starting a new life, initiating a life-long struggle for redemption as he is relentlessly pursued by police inspector Javert, who refuses to believe Valjean can change his ways. Finally, during the Paris student uprising of 1832, Javert must confront his ideals after Valjean spares his life and saves that of the student revolutionary who has captured the heart of Valjean's adopted daughter. His world-view shattered, Javert commits suicide, and Valjean at last attains the peace he has sought for so long.

CharACTers Theatrics is proud to bring *LES MISÉRABLES* to the local stage for the very first time!

Disney's THE JUNGLE BOOK KIDS

April 9-12, 2015

The jungle is jumpin' with jazz in Disney's *THE JUNGLE BOOK KIDS*. Specially adapted from the classic film, this musical includes all your favorite Disney tunes, like "The Bare Necessities," and "I Wan'na Be Like You."

On the run from Shere Khan, a ferocious tiger who has banished him from the jungle, a human boy named Mowgli is aided by an agile panther named Bagheera. Along the way, the two meet a sinister snake named Kaa, a herd of elephants, and a giant bear named Baloo, who teaches them the swingin' musical rhythms of the jungle. After surviving a dangerous encounter with a band of monkeys led by King Louie, Mowgli and Bagheera are forced to run for their lives. Shere Khan returns, leading our protagonists to rally their fellow jungle creatures into battle and restore peace to the jungle.

With colorful CharACTers and plenty of toe-tapping rhythm, Disney's *THE JUNGLE BOOK KIDS* is sure to be a crowd-pleaser for audiences of all ages.

DEARLY DEPARTED

April-May 2015

Not since *STEEL MAGNOLIAS* has a more colorful and dysfunctional group of Southern eccentrics gathered below the Mason-Dixon line.

In the Baptist backwoods of the Bible Belt, the beleaguered Turpin family proves that living and dying in the South are seldom tidy and always hilarious. Despite their earnest efforts to pull themselves together for their father's funeral, the Turpin's other problems keep overshadowing the solemn occasion: Firstborn Ray-Bud drinks himself silly as the funeral bills mount; Junior, the younger son, is juggling financial ruin, a pack of no-neck monster kids, and a wife who suspects him of infidelity in the family car; their spinster sister, Delightful, copes with death as she does life, by devouring junk food; and all the neighbors add more than two cents. As the situation becomes fraught with mishap, Ray-Bud says to his long-suffering wife, "When I die, don't tell nobody. Just bury me in the backyard and tell everybody I left you." Amidst the chaos, the Turpins turn for comfort to their friends and neighbors, an eccentric community of misfits who just manage to pull together and help each other through their hours of need, and finally, the funeral.

You'll die laughing at CharACTers's production of *DEARLY DEPARTED*!

BIG FISH

June 11-21, 2015

BIG FISH is a new Broadway musical featuring music and lyrics by Tony nominee Andrew Lippa (*The Addams Family*, *The Wild Party*) and a new book by esteemed screenwriter John August (*Big Fish*, *Charlie and the Chocolate Factory*).

Based on the celebrated novel by Daniel Wallace, an Alabama native, and the acclaimed film directed by Tim Burton, *BIG FISH* centers on Edward Bloom, a traveling salesman who lives life to its fullest... and then some! Edward's incredible, larger-than-life stories thrill everyone around him – most of all, his devoted wife Sandra. But their son Will, about to have a child of his own, is determined to find the truth behind his father's epic tales.

Overflowing with heart, humor and spectacular stagecraft, *BIG FISH* is an extraordinary

new Broadway musical that reminds CharACTers why we love going to the theatre – for an experience that's richer, funnier and BIGGER than life itself.

"SPECTACULAR. *BIG FISH* has BIG talents, a BIG cast, a BIG orchestra, BIG production numbers and really BIG special effects..." — The New York Times

"REMARKABLE! A show for everyone who loves musicals. DON'T DARE MISS THIS!" — Variety

"4 stars! A GORGEOUS, CHARMING, DREAM MUSICAL! RAVISHING and ENCHANTING, with ONE KNOCKOUT DANCE NUMBER AFTER ANOTHER..." — Bloomberg News

OF MICE AND MEN

Summer/Fall 2015

This outstanding drama was very successful on Broadway and has become one of our most consistently popular titles. A tremendously moving study of the character of two roving farmhands, one of whom—"with the strength of a gorilla and the mind of an untutored child"—unwittingly murders a woman, and is killed by his friend to prevent his falling into the hands of the law.

Two drifters, George and his friend Lennie, with delusions of living off the "fat of the land," have just arrived at a ranch to work for enough money to buy their own place. Lennie is a man-child, a little boy in the body of a dangerously powerful man. It's Lennie's obsessions with things soft and cuddly, that have made George cautious about who the gentle giant, with his brute strength, associates with. His promise to allow Lennie to "tend to the rabbits" on their future land keeps Lennie calm, amidst distractions, as the overgrown child needs constant reassurance. But when a ranch boss' promiscuous wife is found dead in the barn with a broken neck, it's obvious that Lennie, albeit accidentally, killed her. George, now worried about his own safety, knows exactly where Lennie has gone to hide, and he meets him there. Realizing they can't run away anymore, George is faced with a moral question: how should he deal with Lennie before the ranchers find him and take matters into their own hands.

CINDERELLA

September 18-27, 2015

The timeless enchantment of a magical fairy tale is reborn with the Rodgers & Hammerstein hallmarks of originality, charm and elegance.

Originally presented on television in 1957 starring Julie Andrews, Rodgers & Hammerstein's *CINDERELLA* was the most widely viewed program in the history of the medium.

This lush production features an incredible score, jaw-dropping transformations, and all the moments you love—the pumpkin, the glass slipper, the ball, and more!

As adapted for the stage, with great warmth and more than a touch of hilarity, the hearts of children and adults alike still soar when the slipper fits. Be transported back to your childhood as you rediscover some of Rodgers + Hammerstein's most beloved songs, including "In My Own Little Corner," "Impossible/It's Possible" and "Ten Minutes Ago" in this hilarious and romantic theatrical experience for anyone who's ever had a dream. This Enchanted Edition is based on the 1997 teleplay.

WILLY WONKA JR.

October 1-4, 2015

Roald Dahl's timeless story of the world-famous candy man and his quest to find an heir comes to life in this stage adaptation of *Charlie and the Chocolate Factory*, which features the songs from the classic family film *Willy Wonka & the Chocolate Factory*.

Roald Dahl's *WILLY WONKA JR.*, featuring a memorable score by Leslie Bricusse (JEKYLL & HYDE, DOCTOR DOLITTLE) and Anthony Newley, follows enigmatic candy manufacturer Willy Wonka as he stages a contest by hiding five golden tickets in five of his scrumptious candy bars. Whoever comes up with these tickets will win a free tour of the Wonka factory, as well as a lifetime supply of candy. Four of the five winning children are insufferable brats: the fifth is a likeable young lad named Charlie Bucket who takes the tour in the company of his equally amiable grandfather. The children must learn to follow Mr. Wonka's rules in the factory—or suffer the consequences.

This scrumdiliumptious musical is guaranteed to delight everyone's sweet tooth. CharACTers's production will take audiences on a fantasy ride into the land of pure imagination!

30 dishes to dine local for

1 Local Joe's Trading Post – smoked turkey and loaded potato salad: They'll give you sauce to put on the turkey – and it's some good sauce – but we highly recommend you try it first “naked”. For anyone who has ever said “I'm just not crazy about turkey”, be prepared to change your mind.

2 Velocity Food & Spirits – the Farm Burger and sweet potato fries: it's a burger with fried green tomatoes, pimento cheese, lots of other good stuff and A FRIED EGG! There's no picking up this burger and taking a bite; it requires a fork and knife, and is just about big enough to share!

3 Tre Regazzi – stuffed mushrooms and cannoli: Real Italian recipes are dished up daily, and the cannoli melts in your mouth!

4 Blackstone Pub and Eatery – the Rueben pizza and hippie nachos: There are pickles on the pizza and a vegetable garden in the nachos. And some heaven in your mouth.

5 Maters – the Better Boy pizza: Deep dish pizza at its very best. If you're not a meat lover, go with the Better Girl. Either way, you'll be better for having tried them.

6 The Fish Market – seared tuna and John's coleslaw: Perfectly cooked tuna and a twist on coleslaw that you won't find anywhere else in town – angel hair slaw with a deliciously tangy sauce.

7 Capeside Fish Company – crab legs: They're so good and fresh you would swear you're within 5 minutes of a beach. Seafood is driven in daily from the coast and gulf!

8 Old Mexico – street tacos: They were Gadsden's best kept culinary secret, but now they're officially on the menu!

9 Jefferson's – the wings here are so good, you'd almost believe wings were invented by Jefferson's. You won't want to miss the fried pickles or the corn nuggets either!

10 Mayan Mexican Cuisine – fish tacos: flaky white fish perfectly seasoned for Gulf-Mex fusion.

Local Joe's Trading Post

*Capeside Fish Company
House-made Boudin
and Eggs with Potato
Hash and Asparagus*

The Fish Market Fresh Carolina Grouper

11 Asahi – the Volcano Roll: You don't have to like sushi to fall in love with this roll.

12 Big Chief – bacon cheeseburger and onion rings with a grape milkshake. Yes. You need to have all three, together. It's perfection.

13 BubbaRito's – the build-your-own steak and cheese burrito: If building-your-own is wrong, we don't want to be right.

14 FlipSide Café – turkey club: Oven roasted turkey, Applewood smoked bacon, cranberry mayonnaise and wheat berry bread. If that doesn't make you drool, you may need to check your pulse. And if it's hot out, pick up a peach smoothie for a real treat!

The Coffee Well Texas Panini

Velocity Famous Farm Burger

Old Mexico Cantina & Grill Street Tacos

15 The Coffee Well – Texas Panini: We're talking about brisket, barbecue, jalapenos and cheese; all grilled up in a sammich. It'll make your ten-gallon hat grin.

16 Oishi Hibachi Grill – Make your mouth say “open says me” with Sesame Chicken.

17 The Cupboard – chicken salad and peanut butter balls: The chicken salad for the angel on one shoulder, and the mind-blowingly good peanut butter balls as a reward for being so good.

18 The Fisherman – Melt in your mouth buttery scallops will make for a very happy tummy.

19 Top O' the River – the Riverboat Special and turnip greens are a classic favorite!

20 Rainbow Tropical Snow – grab a burger and a snow cone and enjoy the beautiful sights of Nocalula Falls!

21 Villa Fiesta – flaming cheese: When fajitas meet melted cheesy goodness, magic happens in a cast iron skillet.

22 It's Yogurttime! – OH! You just have to try them all! And pick up a Cookie by Alison while you're there too!

23 Frios – key lime pie gourmet popsicle: We don't know how they do it, but it's actually better than key lime pie in its original form.

24 Courtyard Café – there's no denying that this is the place for the lunchtime “meat and three”, but you haven't lived until you've had a Courtyard steak. We suggest the filet, medium rare and on many Friday and Saturday evenings you can dine while enjoying live music.

25 Novel Café – chicken salad: It's the chicken salad that has been famous in Gadsden for years, and will likely always be called the Downtown Deli chicken salad.

26 HoneyBaked Ham Co. & Café - Try the Ham Classic! Ham, Swiss cheese, lettuce, tomato, savory mayo and hickory honey mustard on a flaky croissant.

27 Moe's Southwest Grill – The Homewrecker features your choice of pork, chicken or beef, rice, beans, shredded cheese, pico, lettuce, sour cream, guacamole... holy moly. It's big and delicious.

28 Panda Express – SweetFire Chicken Breast features crispy, white-meat chicken bites tossed in the wok with red bell peppers, diced onions and juicy pineapple with a zesty, sweet chili sauce inspired by the flavors of Thailand.

29 Little Bridge Marina – Local Joe's has a second location conveniently placed at Little Bridge Marina. Access by boat or automobile. Grab a bag of fresh pork rinds for the ride home or a day on the river!

30 King's Olive Oil – everything is delicious that you sample at King's, but don't miss the amazing wine bar and fine cheese plates in the back!

POWER — TO — ALABAMA

Every day thousands of men and women come together to bring you the wonder that is electricity, affordably and reliably, and with a belief that, in the right hands, this energy can do a whole lot more than make the lights come on. It can make an entire state shine.
